Product Catalog

Recoil Mitigator

MSRP: \$59.99

Wholesale: \$30.00 (MOQ 10)

A lightweight lever for pistols with a picatinny rail that reduces muzzle flip and felt recoil by 60% on average. Designed for trainers and LEOs looking for tighter shot placement and faster follow-up shots, and for new shooters to help teach a proper grip.

Specs:

- Material: Super tough polymer
- Compatibility: Standard size Mil-spec picatinny rails (Glock, Sig, Canik, S&W, etc.)
- Colors: Black, OD Green, FDE Tan
- Sizes: Universal, Extra-Large
- Handed: Right and Left handed versions available

AR Thumbrest

MSRP: \$30.00

Wholesale: \$20.00 (MOQ 10)

A unique take on an AR grip. Designed for the overhand grip around the handguard. M-LOK compatible with fine-tuning options available for a comfortable grip.

Specs:

- Material: Super tough polymer
- Compatibility: M-LOK Rails
- Color: Black
- Size: Universal
- Handed: Ambidextrous

EDC Belt Loops (2-pack with hardware)

MSRP: \$10.00

Wholesale: \$5.00 (MOQ 10)

An angled belt loop with extra holes to make installation easier. Fits 1.5–2" belts.

Specs:

- Material: Super tough polymer
- Compatibility: Standard Eyelets
- Color: Black
- Size: Universal
